

Steps from enrollment to use of myna insurance card/eligibility verification

A

Those who have a My Number card and use it as a My Number insurance card.

Before joining, candidates will be asked via email if they want a 'Qualification Confirmation Document.'

Issue: NO

One Month Eligibility Verification (via outsourced service provider)

It will take a few weeks for your My Number and Health Insurance data to be linked. In the meantime, please use this form when you visit a hospital.

Register your or your family member's my number in the company's "Bulas My Number Web".

[BulasマイナンバーWEB登録\(bulas180.com\)](https://bulas180.com)

Check registration information.

Check if the health insurance association is "EYJapan Health Insurance" from the MyNa Portal application.

B

Those who do not have a My Number card and will be going through the application process.

C

Those who do not use a My Number insurance card.

Issue: YES

One Year Eligibility Verification(via outsourced service provider)

Apply for a my number card and register for use of myna insurance card.

Register your or your family member's my number in the company's "Bulas My Number Web".

[BulasマイナンバーWEB登録\(bulas180.com\)](https://bulas180.com)

Check registration information.

Check if the health insurance association is "EYJapan Health Insurance" from the MyNa Portal application.

Thereafter, renewal is required every year.
